NINE GREAT IDEAS (ALL MINE)

1. My idea of visitation; everyone comes to see me.
2. My idea of sympathy; everybody suffering with me.
3. My idea of a sinner; the man for whom I have a dislike.
4. My idea of a meek man; the man who yields to me.
5. My idea of a wise man; the man who listened to me.
6. My idea of a contentious man; one who takes issue with me.
7. My idea of unity; everybody agreeing with me.
8. My idea of cooperation; everybody working with me.
9. My idea of a good sermon; one that fits and hits everybody, but me.

CARL'S THOUGHTS:

What a great day we had this past Lord's Day as we assembled to worship God ! Almost 300 assembled as we worshiped God in Spirit and in Truth. A number of visitors were present. Then after Bible class we honored all of our new members with a fellowship meal.

This past Thursday morning Kathryn Fishe obeyed her Lord by being baptized into Christ for the remission of her sins. Kathryn is certainly a committed lady. She will be a blessing to this congregation. We pray that God will continue to bless us with spiritual growth as well as with numerical growth.

We hope that all of our members will continue to read their Bibles. When you finish the New Testament, be sure to tell us so we can put it in our Bulletin. This will motivate our members to read and also others who receive our bulletin. But don't forget to pray. Jesus said in Luke 18:1 that we ought to always pray and faint not.

KEEP YOUR EYE ON THE CROSS OF JESUS CHRIST!

STUDENT COMMENTS

I am enjoying these Bible Studies so much. They are really teaching me a lot about the Bible that I did not know and understand. I just wish I could get more than three at a time because I finish them so quickly. (Manchester, TN)

This morning I located your we-site address by looking up the name of your church found on a certificate of completion sent to my mother in September, 2003. Two years ago, she went home to be with the Lord. Praise God her ministry of sharing the good news lives on. I have been holding onto this certificate to frame it, but now I know the real reason I needed it. Today, I am writing to ask you to send the course material to a young man incarcerated here in North Carolina. (Raleigh, NC)
