

THANKS FOR OUR COUNTRY

The nation in which we live has its problems but I'm sure we will agree that it is better than any alternative. We enjoy greater freedoms, greater privileges, greater blessings than any nation on earth.

There is not another nation on earth that does not envy the position of America and any person of any other nationality would gladly trade places with you. There is a special ring in the term, "America," that bespeaks the best in the world.

We need to be thankful to God for the privilege of living in this great country and express our appreciation by our loyalty to her principles.

*Praise God from
whom all
blessings flow...*

CARL'S THOUGHTS:

This is Thanksgiving week—a time when we as a nation reflect upon all the blessing in our lives. We have so many things for which to be thankful. So many times we concentrate on the negative things in life and forget the blessings.

In Psalm 100 we find a call to praise the Lord. Notice: *“Make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness: come before his presence with singing. Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; Enter into his gates with Thanksgiving, and into his courts with praise: be thankful unto him, and bless his name. For the Lord is good, his mercy is everlasting; and his truth endureth to all generations.”*

We hope that all will enjoy this time with their families. And we need to remember what Paul said in 1st. Thessalonians 5:18. *“In everything give thanks: for this is the will of God in Christ Jesus concerning you.”*

KEEP YOUR EYE ON THE CROSS OF JESUS CHRIST!

THANKS FOR OUR FAMILY

"There is no place like home," is an oft used phrase but the strength of that truth is not subdued in its repetition. We need to count our blessings as we consider the blessing of a husband or wife who shares with us the best of life.

Our ingratitude is reflected by the staggering divorce rate. When we are so selfish that we find one of three unable to live with a mate, it is time for introspection.

The sacrifices that are made in marriage should be a small way of saying thank you to our partner. A marriage relationship should be strengthened by an appreciation of what the other party endures. The husband and wife need to learn to appreciate just what it takes to keep house and earn a living.

We need to have a better appreciation of children, and they of parents. Our children need to know of some of the sacrifices that parents make for them. The parents need to appreciate that the children are children and not "little" adults.'

A little thankfulness in the home and that thankfulness expressed to one another should help our family relations.
