

(continued from the inside)

Students ask questions that if they would, they could do the research,
But we answer all their questions with chapter and verse.

Lessons are graded by the many dedicated volunteers.

Comments from students sometime bringing to their eyes tears.

Many times we think they have learned enough to obey.

They apparently do not, but we pray they will someday.

When students ask for help or to talk with a teacher

We try to find in their area a willing preacher.

It's often hard to find someone to lead them to Him.

When it does happen though, we all rejoice with them!

Many volunteers work in the background, mostly unseen.

We pray volunteer workers will not grow weary in serving student demands.

And too, we pray students will learn and be obedient to God's commands.

We humans would like all the good our spreading His word does be quantified.

But we must trust that His word will not return to Him void and be satisfied.

It's a blessing, a privilege and an honor to try and save each precious soul

And seeing heaven someday, with them there, will be worth treasures untold!

CARL'S THOUGHTS:

Many are back from vacation as school starts this week. It is so good to be able to worship with our brothers and sisters in Christ.

Our hearts were made to rejoice this past week as Arizonia Henderson obeyed the gospel of Jesus Christ. Arizona graduated from High school earlier this year. I pray that all will welcome her into the fellowship.

Then Sunday morning, when the invitation was offered Patricia Barton came down the isle requesting her desire to be saved. We briefly discussed God's plan of salvation. She indicated that she believed Jesus Christ is the only begotten Son of God and that she was willing to repent of her sins. Upon that confession of Christ and her remorse, she was baptized into the death of Christ for the remission of her sins. Then Jesus reveals to us in Revelation 2:10: *"Be thou faithful unto death."*

Keep your eye on the cross of Jesus Christ!

OFFICE PHONE SYSTEM

The phones in the church building have been out since Tuesday morning. We cannot

receive any calls. Because of the age of the system they cannot find a part to repair it. Sorry for the inconvenience.

ODE TO VOLUNTEERS OF THE KNOW YOUR BIBLE CORRESPONDENCE PROGRAM

We do know we are commanded to go forth teaching

And if we do, God said he would do the reaping.

In 1964 Main Street volunteers started reaching out on a small scale

Never dreaming that demands would continue to increase the mail.

We serve students from all over these United States

It's not important for us to know their status, color or race.

We give the opportunity for all to enroll with family, and friends.

Responding to our students requires that we maintain a fast pace

For we are trying very hard to get souls to the right place!

Bible lessons keep students busy reading and studying God's word

Learning many things some say they had never heard.

We receive student lessons each week by the hundreds.

It sure takes a lot of work to satisfy their hungers.

Volunteers work many hour weekly with "out of this world" compensations.

Workers are from Main Street and also several nearby sister congregations.

The fellowship we enjoy is a most delightful job perk

And serves as an additional encouragement to do the Lord's work.
